My Dear Parishioners,

What a superbly beautiful milestone is this Seventy-fifth Jubilee of Sacred Heart Church. Blessed Be God! Glory to the Father, to the Son and to the Holy Spirit -- The Holy and Undivided Trinity!

For us all, we say "Thanks be to the Almighty"! And, too, in our joyful celebration and in our justifiable satisfaction at the growth of our Parish, let us not forget all the pioneers, so full of Faith, recorded and unrecorded, on whose work and shoulders we now walk. May the Lord be good to them!

Then, too, even though continued growth is anticipated, let us not forget in the midst of all our joy, labors, faith, prayers, and ever gradual success that "God gives the increase". Blessed be the Sacred Heart of Jesus.

Many thanks to ALL those who helped comprise the History of Sacred Heart Church on its Seventy-fifth Anniversary. Especially Frances Good, Marion MacKavanagh and the numerous people who helped tirelessly in the task of getting ads for our Ad Book and making this 75th Anniversary a success.

Enjoy the day and God Bless us everyone!

Rev. Bernard M. Darby
